STEEL PLANT

Will Close Its Big Plant at Lorain This Week.

The Illinois Steel Company Lets Off Twelve Hundred Men.

In the National Movement on the Part of Manufacturers to Reduce Expenses by Cutting Down Pay-Rolls--Meeting of Men Is Called.

Lorain, O., Oct. 26.—Orders have been posted that the plant of the steel trust here would close down Thursday evening for a period of thirty days. Orders first received were to the effect that all the men should be laid off, but that has been changed and hundreds will be put on repair work. Notices were also posted to the effect that any of the men laid off who desire to go to work on the new tube mills could do so at laborers' wages. Many will take advantage of this order. Although the furnaces have been shut down, none of the furnace men will be laid off, as the furnaces are very badly in need of repairs.

ILLINOIS STEEL COMPNAY.

Chicago, Oct. 26—Twelve hundred employes in the mills of the Illinois Steel company, at South Chicago, were laid off Saturday night and the national movement on the part of the manufacturers to reduce expenses by cutting down the pay rolls was formally started in this vicinity. The size of the layoff led to an investigation and the men declare it is the intention of the company to close down its "open shop" for a week and then resume with asmall force of picked men.

A meeting of the men has been called and the officers of the union will report the results of their investigaiton into the causes of the company's action. If they find a reduction in wages is contemplated a strike may be called. If the lay-off was to reduce expenses on account of lack of orders the men will take no action further than request the company to reinstate them as soon as possible.

The labor leaders expect to see several other large corporations lay off men. The forces in some of the railroad shops informally have been notified they may be discharged, and the same warning has been sent out in some of the large manufacturing plants.

GIRL REFUSED

To Accompany Spurned Lover Who Stabbed Her, Then Disappeared from Steubenville.

Steubenville, O., Oct. 26—Because of her refusal to accompany him to church, Lucius E. Mayo, the spurned lover, last night fatally stabbed Miss Olive Oneil. She is a daughter of ex-Postmaster Frank Oneil, and she was standing on the veranda at the residence of her grandfather, Eli Fetrow, at the time. Mayo was forbidden to come to the house, but he has met the girl on the street and at church.

Last evening he saw her on the veranda and asked her to accompany him to church. She refused and he insisted and she made her refusal more positive. He evidently had planned the act, as without further discussion he drew an Italian dirk knife and stabbed her in the left breast. Then he withdrew the knife and ran. All efforts on the part of the police to locate him prove unavailing.

Mayo is a young blacksmith and his father is said to reside in Cleveland, but his name is unknown. The affair, owing to the prominence of the girl's family, has caused great excitement here. The police are of the opinion that Mayo, thinking he had killed the girl, ran down Ross street and jumped into the river. Mayo was thought to be unbalaunced by the love affair and suicide is not improbable.

Parks on Trial.

New York, Oct. 26.—Sam Parks, walking delegate of the Housesmiths and Bridgemen's union, whose acts in the labor world have brought him notoriety and into prison, was placed on trial for the second time today before Judge Newberger in the court of general sessions. Parks is to face the jury again on what is known as the "Tiffany Studio" indictment. In this he is charged with having extorted $500 from Louis Schmidt through calling off of a strike. Parks looked to be in bad physical shape when brought to the bar.

JUDGE

Killed by Enraged Lawyer Who Then Killed Himself.

St. Petersburg, Oct. 26—Baron Pesljak, Russian judge in the town of Ufa, European Russia, was shot and killed in his court room today. During the progress of a trial the judge had occasion to rebuke Dr. Petrowski, a lawyer. The latter replied disrespectfully, whereupon the judge threatened to have him arrested for contempt of court. Petriwski, enraged, drew a revolver and shot the judge six times. The lawyer then turned the revolver on himself and committed suicide.

WITH OIL

Well on Kirkpatrick Farm Filled—Mr Ewart Hurt Sunday Night—Notes from Utica.

Utica, O., Oct. 26.—The well drilled in on the Kirkpatrick farm, a mile and a quarter from Utica, by the Logan company, has filled with oil and has been plugged.

Young Mr. Ewart, of Morgan Center, while riding to the Bell church last night, collided with a buggy and was thrown out and rendered unconscious. The last report says he is in a serious condition.

Mrs. Elmer Hobbs, who was operated upon for appendicitis, is in a precarious condition at her home on North street.

Poland Fire.

Brazil, Ind., Oct. 26.—The business section of Poland was completely wiped out this morning by fire. The loss is estimated at $50,000.

MAJOR GEN C. BATES IN COMMAND AT RILEY

GEN. JOHN C. BATES.

Ft. Riley, Oct. 26—Gen. John C. Bates, who is in command here, comes fresh from the maneuvers at West Point, Ky. Gen. Bates is probably at this time the hardest worked man in the country wearing the double stars of his rank, for all the routine business in the department of the lakes, with headquarters at Chicago, is under his supervision.

Gen. Bates won fame in the Philippines by negotiating the treaty with the polygamous sultan of Sulu, but made a more enviable record in the Cuban campaign, in frontier service and in the civil war. He was one of the board which drew up the present army board tactics and helped select the Krag-Jorgensen as the army rifle. Gen Bates is a rigid disciplinarian, but courtesy personified when he can lay aside his official character.

LOU DILLON

Peerless Trotter Smashes the World's Record Again at the Memphis, Tenn., Track.

Memphis, Tenn., Oct. 26—Lou Dillon the peerless trotter owned by C. K. G. Billings, of Chicago, and driven by Millard Sanders, Saturday afternoon proved her right to the proud title of queen of the turf by trotting a mile under adverse conditions in the admirable time of 1:58 1-2. The daughter of Sidney Dillon was paced by a runner driven by Scott McCoy and another runner followed closely to urge the mare to a supreme effort.

Lou Dillon appeared on the track at 5:10 p. m., and after a preliminary canter, Sanders announced that he was ready for the start. The two runners were alingned in position and it was noticed that a strip of board about one yard wide was fastened to the pacemaker's sulky directly under the seat. This it was announced, was used to keep the dust out of the mare's face.

Another world's record was broken Saturday afternoon. Dariel, b. m., by Alcander, paced a mile in 2:00 1-4.

SMALLPOX

Raging in Glenford—Ten Cases in the Village and Others Nearby—All Quarantined.

Glenford, O., Oct. 26.—Smallpox continues to rage in this town, with one new case since Saturday, but all occur within quarantine boundaries as follows: Two at Dennis Cooperider's; three at Riley Hazlett's; three at Frank King's and two at Calduff's. It is rumored that in the eastern part of the township there is a case. The quarantine is fair, but might be more effectual.

CHINAMAN

Found Murdered in Store and Three Fellow Countrymen Are Under Arrest for Crime.

New York, Oct. 26.—Sam Jim, a Chinese tea merchant of 19 Bowery, was found dead in the rear of his store last night, and it is believed that he was murdered by three of his fellow countrymen for having given, it is alleged, information to the federal authorities regarding the smuggling of opium into the United States. Tuck Lee, aged 23; Sam Kee, aged 30, and Quan John, aged 33, are the men under arrest.

MISSIONARY

Meeting Held at Pataskala—Columbus Women Were Honored in the Election of Officers.

Pataskala, O., Oct. 26.—The Columbus district's annual convention of the Foreign Missionary Society of the Methodist Episcopal church, closed a very interesting meeting Saturday evening. Papers were read by Miss Gilruth of Reynoldsburg; Mrs. Ackland, Miss Hogg and Mrs. C. F. Prior, all of Columbus, and Mrs. Van Kirk, of Granville. During the afternoon a musical program was furnished by Professor Franks, of Pataskala, and a mixed choir.

The officers elected were all Columbus women. Miss Hogg was elected president; Miss Anna Dill was elected secretary, and Mrs. Everett was made treasurer. Columbus was selected as the place for the next convention. The meetings will be held at the North Methodist Episcopal church.

ANARCHIST

Under Detention in New York Will be Deported to England, Land of His Origin

Washington, Oct. 26.—After a consultation with Commissioner General of Immigration Sargent, Secretary of Commerce and Labor Cortelyou today issued orders that John Turner, the self-confessed anarchist, under detention in New York, shall be deported to England, the land of his origin. This is the first deportation under the anarchy provision of the new immigration act of 1903.

Elkins is Dying.

Philadelphia, Oct. 26.—William L. Elkins, the millionaire traction and gas magnate, is dying at his home at Elkins Park. At midnight the members of his family were summoned and it was believed the end was at hand. He rallied slightly, however, and at 9 a. m. was resting comparatively easily. There is no hope of recovery.

In 1850 the South had but 20,500 miles of railroad. In 1890 there were over 54,000 miles representing a new influx of capital to the amount of $1,500,000,000.

LARGE

Number Killed by Cossacks.

Armenians Fled to The Church.

BUT ALL INSIDE BUTCHERED BY THE SODDIERS.

OLD SEXTON WAS BAYONETED

While He Was Trying to Protect Women and Children From the Awful Slaughter.

Vienna, Oct. 26—The Arbeiter Zeitung today reports the seizure of Armenian church property at Baku and the killing of a large number of Armenians. A party of Cossacks attacked the church but were resisted by a number of men, women and children, who gathered around the building to prevent its uesecration. The soldiers fired ten volleys itno the crowd, killing 130 of the Armenians. The Armenians then took refuge in the church, from which vantage point they fired at the soldiers. The latter, however, stormed the building and butchered all inside. The exact number is not known. The old sexton was bayoneted as he attempted to protect the women and children.

GUILTY

Stout Pleads When Arraigned for Assaulting Prince Yee.

Delaware, O., Oct. 26.—The case of Joseph Stout, charged with assault committed on Prince Yee, second son of the emperor of Korea, came up in common pleas court this morning. Stout pleaded guilty, but sentence was reserved until some future day.

Stout, it will be remembered, assaulted Prince Yee one night last June as the young nobleman and his secretary were leaving a summer garden at Stratford, south of this city.

Stout's excuse for beating up Yee was that he did not like "chinks."

TEN KILLED

New York, Oct. 26—Ten lives were lost by the cave-in of the roof and walls of the subway tunnel at One Hundred and Ninety-fifth street Saturday night and four persons were badly injured. All of the dead and injured were workmen and most of them Italians.

EXPLOSION

TORE A BIG HOLE IN GROUND NEAR SUMMIT.

Ten Inch Gas Main Breaks Shocking People and Jarring Houses Miles Away Monday.

(Special to the Advocate.)

Summit Station, O., Oct. 26—The ten inch gas main, running from the Sugar Grove fields to Toledo, burst just north of this village at seven o'clock Monday morning, jarring houses for miles, and severely shocking people in the immediate vicinity.

The explosion occurred on the farm of S. H. Shambaugh. A hole five feet deep and fifteen feet in length was torn in the ground, while the earth was thrown long distances.

The explosion was undoubtedly due to a flaw in the pipe.

Many people who heard the report of the explosion thought a railroad wreck had occurred. Large numbers of people visited the scene of the accident. The gas was not turned off until some hours after the explosion.

Dowie is Violent.

New York, Oct 26.—Dowie today assailed the papers for what he termed their violence in assailing his wife's name. He said the reports that Mrs. Dowie had taken $7,000,000 with her to Australia were lies, the offspring of vipers, the newspaper reporters. The early morning session of the Zionites was held at 9 o'clock instead of 6.00, and even after the long wait only 200 appeared.

Portland, Ore., Oct. 26.—The bank of Scroggin and Wyman was entered early this morning the safe was blown and $47,000 secured. There is no clew to the robbers.

EMPLOYER

According to This Decision Need Pay Only What a Workman Earns, Regardless of Scales.

Crestline, O., Oct. 26—Justice R. P. Glosser has made an interesting decision here, in which he holds that an employer must pay an employe only what he earns, and not what is customary wages for the certain work at which he is employed. Samuel Long was engaged in putting in window glass at the factory for the Schill Brothers company here. A number of other men who were engaged in the same work were paid $2.25 per day. Long proved a slow workman and was paid only $1.50 per day. He entered suit against the Schill Brothers company for the balance. He is a member of the American Federation of Labor and claimed that the wages paid for this class of work averaged $2.25 per day. The defendants proved that Long was not as valuable to his employer as his fellow workers and they won the case. The case may be carried to the Common Pleas court. The Schill Brothers company allowed the case to go to trial just as a test.

ANOTHER

Of the Zanesville Quads, Died Sunday Leaving Only Two of the Four Babies.

Zanesville, O., Oct. 26.—The second of the quadruplets born to Mr. and Mrs. Wm. Tate of Putnam hill, last Tuesday, died Sunday noon.

The mother is improving slowly, according to Dr. G. W. McCormick, the attending physician, and the two remaining babies appear to be in normal condition. Dr. McCormick hopes to save the lives of the remaining infants.

HIS FRIEND

Newsom Shot by Mistake, but After Weeping He Fled to Parts Unknown.

New Decatur, Ala., Oct. 26.—John Burwell, a well-known lumber man of Saginaw, Mich., while at a disorderly house here last night, was shot dead by Will Newsom, a Tennessee river pilot. The men were the best of friends. Newsom mistook Burwell for another man whom he had quarreled with about a woman. Seeing his mistake, Newsom broke down and wept, but later fled and has not been arrested.

VON STERNBERG

Who is Now on the Atlantic May Not be Reutrned by the Kaiser to Washington.

Berlin, Oct. 26—It is rumored that Baron Von Sternburg, German ambassador at Washington, who is now on the Atlantic bound for Germany, will not return to Washington. The conservative newspaper Reichebote, which has frequently been the mouthpiece of Imperial Chancellor Von Buelow, today prints an article belittling the ambassador's work and lauding that of Secretary Bussche, who is attending to Von Sternburg's work during the latter's absence from his post. This article indicates unmistakably that Secretary Bussche would be more suitable to officials than Von Sternburg. Powerful enemies of the latter at the court are trying to persuade the Kaiser to recall the present ambassador.

YOUNG MAN

Shot and Killed His Stepfather as the Latter Was About to Strike His Mother.

Chicago, Oct 26—To save his mother's life, Henry Walscheid, 18 years old, shot and fatally wounded his stepfather, Nicholas Rolle, Sunday, as the latter, with a heavy iron bar in his hand, was aiming a blow at his wife's head. He was taken to a hospital, where he died last night. The police say Rolle attacked his wife because dinner was not ready.

Successful Operation.

St. Paul, Minn., Oct 26.—Conrad Fillmann, of this city, who has been deaf and dumb for four years as the result of a mining accident in Utah, has been restored to speech and hearing by students of Rush Medical college, Chicago, who performed an operation on him here two weeks ago. The students cut Fillmann's throat open and removed clots of blood and supplied him with artificial ear drums.

ACTRESS SHOT

And Police are Puzzled Over Her Explanation.

The News Was Suppressed by Miss Riccardo Several Days.

Now She Says That Two Men Were Quarreling in Front of Her Window and That She Received a Bullet From Stranger's Gun Accidentally.

New York, Oct. 26.—Miss Corona Riccardo, the star in "Marta of the Lowlands," was shot and dangerously wounded last Friday, but the affair has been kept a secret. Miss Riccardo's disinclination to talk or make any report of the shooting has created a great deal of mystery about the case. Miss Riccardo lives at No. 143 West Thirty-sixth street. When she came to consciousness in the hands of Dr. Walter C. Gilday, who had been called to attend her, she was asked who had shot her. The only reply that she would make was this: "He is probably in the hospital by this time."

Today, however, when Lieutenant Hayes and Detective O'Brien visited her in an attempt to solve the mystery, she made the following statement: "I had been studying and writing in my apartments and about 5 o'clock I became tired and concluded to lie down. I raised the window and, wrapping myself in a shawl, reclined on a couch. The room gradually became chilly and I got up to close the window. It is just on a level with the street. As I drew back the curtain I saw two men standing on the street quarreling. Just as I started to pull down the sash of the window I saw one of the men draw a revolver and fire point blank at the other man. The bullet missed the man it was intended for and struck me. I became unconscious and fell. I dragged the window down with me.

"I am certain that the men were both strangers to me."

Emma, the maid, corroborated this statement insofar as to say that she found her mistress close to the window in an unconscious condition and the police, who have been investigating the affair, are at a standstill.

It is estimated that during the last five years telephones have been put into nearly half a million rural homes. The farmer finds that with the telephone he can keep in touch with the market, selling his produce or live stock when quotations are the most favorable.

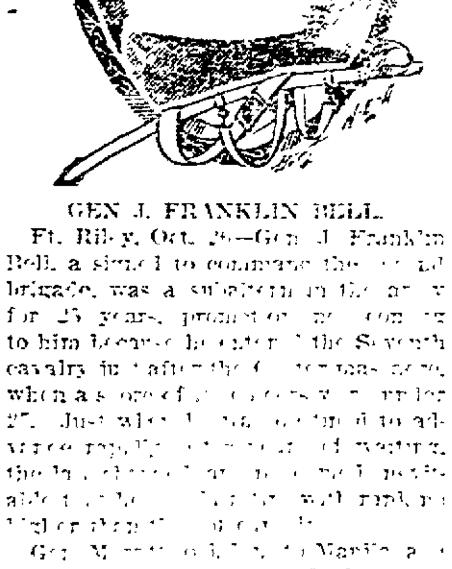

KILLED HIS BABIES

Shocking Tragedy Near Marion, Ind., Followed by Threats of Lynching--McClure Hurried to the Police Station for Protection

Marion, Ind., Oct. 26.—"God told me to do it," said Jesse McClure, as he walked into the county jail Sunday afternoon and calmly told the sheriff of murdering his two children, Dee, aged two, and Homer, aged three years. After killing the children by blowing out their brains with a pistol, McClure hurriedly drove to Marion and went to the jail and begged for protection. Sheriff Mills received word from the scene of the double murder, six miles from Marion, a short time after McClure gave himself up, that a mob was being organized to lynch the prisoner. Deputies were sworn in at once to protect him until he could be removed. He was spirited away to Indianapolis before the mob could reach Marion. McClure and his wife separated a few weeks ago and he declared in his confession that God had called upon him to kill the little ones. He went to his wife's home Sunday afternoon and asked for her and the children to go with him. She refused to see him, but allowed the children to go. He drove down the road a short distance and then murdered the children in cold blood. He said he would have killed his wife had she left the house. He intended killing himself, but lost nerve.

The children were asleep and he took them from the buggy and laid them beside the road and shot them as they slept.

Had $8,000 Hidden in Her Stocking--Arrests Made.

Vancouver, B. C., Oct. 26—(Bulletin)—Clarence Leonard, accused of forging checks for $10,075 on Haskins & Zells, 30 Bread street, New York, by whom he was employed as a clerk, has been arrested here. His woman companion, Kittie W[illegible], was also taken into custody. The police recovered $8,000. The woman had eight $1,000 bills in her stocking.

SISTERS

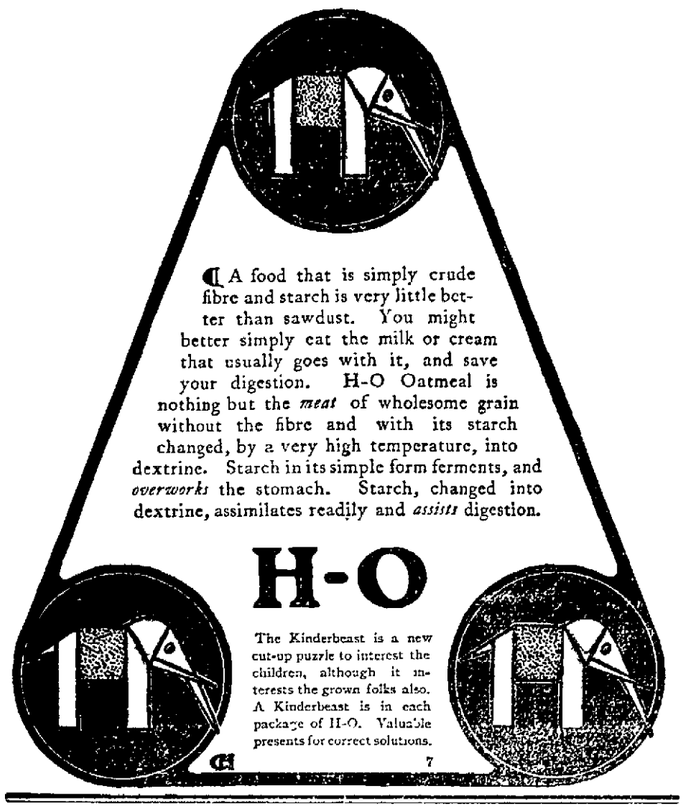

Became Mothers of Two Boys at the Same Minute—Each Baby a Twelve Pounder.

Colorado City, Oct. 26.—Dr. J. A. Wintermitz, a prominent physician, relates a coincidence that he believes is without parallel. Saturday he was called to attend Mrs. Robert Chapman and Mrs. Edgar McDaniels, sisters, who reside together. A few minutes after his arrival Mrs. Chapman gave birth to a boy, and in an adjoining room, almost simultaneously, Mrs. McDaniels also gave birth to a son. Hardly a minute elapsed between the two events. Both babies are exactly the same weight, 12 pounds. Mothers and children are doing well.

Want Welch Coal.

Cardiff, Wales Oct. 26—Japan and Russia are again inquiring as to the amount of Welsh coal they can obtain. Sixteen steamers, with a carrying capacity of 80,000 tons, have already been chartered.

NATIONAL GUARD

War Department Sends Out Circulars Recommending Changes—Newark Range to be Improved.

Columbus, O., Oct. 26.—The war department is sending out to the National Guard of the states a circular letter suggesting legislation in furtherance of the provisions of the Dick law to bring the state troops and federal troops in harmony. General changes in the governor's staff and the control of the state military as suggested would tend to take the matter largely out of politics and these offices would be filled instead of from private life, as is generally the case now, from the officers of the Guard, certain services being required.

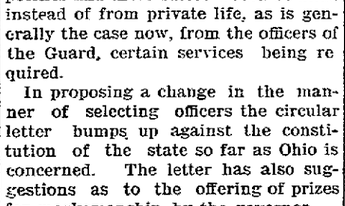

In proposing a change in the manner of selecting officers the circular letter bumps up against the constitution of the state so far as Ohio is concerned. The letter has also suggestions as to the offering of prizes for marksmanship, by the governor.

Adjutant General Gyger and Brigadier General Speaks went to Newark, Saturday afternoon, to look over the rifle ranges there with a view to making needed changes and improvements on it.

Reports from the meeting of the Ohio National Guard association, held at Dayton, the fore part of the past week, indicates that some very important matters were before the meeting and action taken respecting them that will result in great good to the Guard.

That some new legislation for the Guard is needed is apparent to any one who will acquaint themselves with the organization in the slightest and it is hoped and may be expected that at the coming session of the legislature some important measures in the interests of Ohio's soldiers may be enacted. The committee appointed to look after the interests of the organization in this respect is looked upon as a good one and every officer and member of the Guard should aid in accomplishing this legislation.

CRUSHES OUT THE LIFE

The most loathsome and repulsive of all living things is the serpent, and the vilest and most degrading of all human diseases is Contagious Blood Poison. The serpent sinks its fangs into the flesh and almost instantly the poison passes through the entire body. Contagious Blood Poison, beginning with a little ulcer, soon contaminates every drop of blood and spreads throughout the whole system. Painful swellings appear in the groins, a red rash and copper colored splotches break out on the body, the mouth and throat become ulcerated, and the hair and eye brows fall out; but these symptoms are mild compared to the wretchedness and suffering that come in the latter stages of the disease when it attacks the bones and more vital parts of the body. It is then that Contagious Blood Poison is seen in all its hideousness. The deep eating abscesses and sickening ulcers and tumors show the whole system is corrupted and poisoned, and unless relief comes soon this serpent disease tightens its coils and crushes out the life. The only antidote for the awful virus is S. S. S. It is ***nature's remedy,*** composed entirely of vegetable ingredients. S. S. S. destroys every vestige of the poison, purifies the blood and removes all danger of transmitting the awful taint to others. Nothing else will do this. Strong mineral remedies, like mercury and potash, dry up the sores and drive in the disease, but do not cure permanently.

BROTHER

OF COL. A. B. COIT SEEKS AN ELECTION TO PARLIAMENT.

A Former Columbus Physician is Now a British Subject—His Work in London's Slums.

Minneapolis, Minn., Oct 26—A. B. Coit, formerly Colonel of the Fourth Ohio regiment, has arrived in Minneapolis on his way to Montana. Col. Coit has just returned to this country from a six months' trip to Europe. He landed two weeks ago in New York with a badly injured right foot, as a result of a fall on board ship during a storm.

Most of the time abroad he spent with his brother, Dr. Stanton Coit, formerly a well known resident and practicing physician of Columbus, Ohio, but now living in London.

Dr. Coit has become a naturalized British subject, and has sworn allegiance to the crown, forswearing the flag of his ancestors. Col. Coit said:

"My brother has been living in London for the last 15 years. He went over there at the suggestion of M. W. Conway, who formerly was well known in Cincinnati, where he resided. Under his advice my brother went to New York, here he founded the Neighborhood Guilds. He was associated in this work with Dr Felix Adler, whose work in philanthropy is widely known. Shortly afterward he decided that his life work could find wider scope in England, where he went, established himself in the worst parts of White Chapel, where crime in its worst shapes was rampant. He then busied himself in relieving the poor and distressed. He began publishing the Ethical Review, the official organ of Ethical Culture Society, an organization devoted to benevolence.

"After residing there for a few years he became engaged to an English lady, whom he has since married. Dr. Coit found that to do all the good possible in his work it would be necessary for him to become a British subject. This year he received the nomination for the House of Commons from the workingman's party, and I believe that he has a fighting chance of winning. It all depends on how the campaign is conducted, but he has able workers, and they are hustling for him.

"Affairs over there are in a frightfully perturbed condition, and while he has a majority of 900 to overcome, it is possible that he may win out. In that case it would probably be the first time that a native American citizen of today has held a legislative position in Great Britain. His opponent, who is now in the House of Commons, is Mr. Rotherton."

CHANCE TO INVEST

Have you a little money, $100, $200 or $1,000, that is idle or that is drawing 3 to 4 per cent in one of the building associations? Would you be interested in a proposition that would make this money bring you 6 per cent and FREE FROM TAXES? Money on deposit in the banks and buildings associations is taxable, but PREFERRED 6 PER CENT STOCK in the Newark Telephone Company is non-taxable.

This company has in the past year spent over $60,000 in enlarging and improving its plant. The number of telephones in service has almost doubled and daily additions are being made. To carry on this work as outlined will require about $15,000 more money and preferred 6 per cent stock is being sold. The men prominently identified with this company have bought some of this stock, men who know that the investment is sound and returns sure. They know that the distribution of stock is a good thing for the company and have decided to place $15,000 of this preferred stock in small amounts among the people of Licking county.

Don't invest your money in untried ventures or in institutions about which you know nothing. Call on Manager Hollander and have him explain to you what is being done and what has been accomplished. This is worth looking into. The stock will be quickly disposed of.

MEETINGS

HELD SATURDAY NIGHT BY THE DEMOCRATS

At Homer, Hanover, Gratiot and Fredonia—All Speakers Addressed Crowded Houses.

Four more rousing Democratic meetings were held in different parts of the county on Saturday evening. One was at Hanover, another at Gratiot, another at Fredonia and still another at Homer, all of which the Advocate is only enabled to make a brief mention.

The Democratic meeting at Homer was held in the township house, and was a splendid meeting in every respect the house being crowded to its utmost capacity. Mr Casper Bowers presided as Chairman of the meeting and introduced the speakers.

Attorney H. H. Sparks was the first speaker. He devoted his speech to a discussion of the inequalities of the present taxation system by which large corporations escape their just burden of taxes and increased the taxes of the farmer and small property owner. He also made a scathing arraignment of the school book trust.

Attorney E. F. McDonald made the closing speech of the evening. He gave a thorough exposition of the infamous methods resorted to by Mark Hanna in his first election as United States Senator. Mr McDonald also outlined forcibly and thoroughly the general policy of the Republican party as favoring special privileges and trusts and opposing the people.

The Hanover Meeting.

At Hanover nearly a hundred persons assembled in the town hall, the meeting being presided over by Mr. Frank Hartman.

J. A. Flory, Esq., first addressed the meeting and in a forcible and logical manner showed how the people were plundered by the unequal taxation of the Republican party, and paid his respects to our very peculiar Supreme court.

Judge Hunter devoted himself to the Jeffersonian idea of home rule and "equal rights to all and special privileges to none." He charged that every multimillionaire in the country became so by reason of special privileges granted to him by the laws made by the Republican party. Carnegie and his manufacturing class made their millions out of the special privileges of the tariff, which gave them a monopoly. Rockefeller made his millions because the Republican laws permitted him to possess unholy alliances with railroads, and to crush out all competition in business.

Gratiot Meeting.

The commodious school house was crowded with Democrats, who had some in from all parts of the township. The meeting was called to order by S. L. Vermillion, who introduced the speakers of the evening, Messrs. P. B. Smythe, Roderic Jones, W. D. Benner, Sheriff W. H. Anderson, Jr., and J. P. Sullivan. All the various speakers spoke on the issues of the campaign, their remarks being attentively listened to. They spoke entertainingly for over an hour. The speakers were frequently applauded during the course of their remarks and sat down amid a storm of applause. Jesse Hursey, candidate for clerk was in attendance at the meeting.

At Fredonia.

Here there was an unusual demonstration. The Democrats had come in from all over the township, and at an early hour the township house was packed to its utmost capacity. The meeting was called to order by Dr Rutledge, and 'Squire Samuel Smith was made chairman of the meeting and introduced the speakers.

Attorney Charles L. Flory was the first speaker of the evening, and devoted the principal part of his remarks to a discussion of the tax question and home rule.

Judge John David Jones made the closing speech of the evening. He gave a brief history of the Democratic party from its birth up to the present time, and showed that at all times it had ever been the champion of the people against monopolies. He also spoke at some considerable length on the tariff question and the issues of the campaign generally.

The speeches of both gentlemen were attentively listened to, and seemed to make quite an impression on those in the audience. The good effects of the meeting will be seen on the third of November.

"I WISH MY VOICE would reach around the world to tell of the great success of Dr. Haines in curing Piles."

BEFORE TREATMENT AFTER CURED

These were the words of W. H. Ellis, of Lancaster, O., when eighty-four years of age, after being cured, having suffered over fifty years with Piles. You have tried, as he did, every guaranteed cure, which did not cure, and many have even run the risk of having them cut off, and you still have the piles, as he did. Any sufferer who will write to Drs. Haines and Haines, 101 N. High St., Columbus, O., inclosing a two cent stamp and mentioning this paper, will receive by return mail a forty-eight page book telling how they can be permanently cured of Piles and Constipation, also how to be cured of RUPTURE in ten to twenty days, HYDROCELE AND VARICOCELE.

FIVE

Generations R presented in This Family—Oldest is 92, the Youngest 11 Years of Age.

Pataskala, O., Oct. 26—Mrs. Susan Philbrook, Mrs. Levina Pendleton, Mrs. W. C. Blair, Mrs. Delbert J. Rollison and Sarah Rollison represent five generations now living in Ohio. Mrs. Philbrook will soon be 91 years old. She is the great-grandmother of little Miss Sarah L. Rollison of this place.

Mrs. Susan Philbrook lives at Bluffton, O. She is of English descent and was born on Fox island, Maine, November 14, 1812. At the age of 19 years she was married to Thomas Brown, a fisherman, who moved his family to Ohio in 1843, settling at Benton Ridge, Hancock county.

Eleven children were born to this union. The eldest, Livana, was born on Fox Island, Me., on July 20, 1831, and is now 72 years of age. At the age of 17 she was married to John Pendleton, a farmer residing four miles west of Granville, O., who also belongs to a family which counts its ancestors back to the first settlers in the New England colonies.

Mr. and Mrs. Pendleton now have, near Granville, one of the finest fruit farms in the state. To them twelve children were born. Sarah was born March 23, 1849. When 22 years of age she married Wm. C. Baker, a farmer near Granville. To them three children were born, the eldest of whom is Ella. Ella was born March 28, 1873 and was married to Delbert J. Rollison of Alexandria, O. Mr. Rollison also follows agricultural pursuits. To them Sarah Livana, the youngest in the group, was born, November 15, 1892.

Tea, wafers, ice cream, cake and coffee will be served. All are invited to help this worthy cause.

Mrs. Offenbaker's Statement.

Mrs. Offenbaker of West Newark, called at this office Monday to deny the report that she had ill-treated her daughter, Lucy, aged 16, who ran away to Columbus last Friday. Mrs. Offenbaker said that she reproved her daughter, but had not "laid hands on her" or in anyway mistreated her. The Columbus Press says that Carrie Schaditz had placed the girl in the family of Mrs. Closson on Noble street. Mrs. Offenbaker is positive in her assertion that the girl has committed no wrong, but was indiscreet.

Death at the Home.

Edward Roe, an imbecile, 6 years old, who has been an inmate of the Children's Home four years, died Saturday afternoon and was buried Sunday afternoon at 2 o'clock. The child had been in poor health for a long time. This is the first death that has occurred at the Home for several years and in fact there has been very little sickness among the 50 children in the institution. The Superintendent and Matron, Mr. and Mrs. J. C. Kreig, are certainly well fitted for the management of the Children's Home.

Holtz Speaks Tonight.

Colonel Holz, who is to speak at the Second Presbyterian church tonight and also on the street, has had some wonderful times at Akron, Mansfield and Columbus. Large crowds came out to hear of his trip through Kentucky. Yesterday at Columbus he spoke in the penitentiary and the Central Presbyterian church. Many came forward for Salvation, leaving their lives of sin and shame. Colonel Holz will be assisted by Major Hunter. They will be dressed in their khaki suits, which were worn on their trip through the mountains. Doors open at 7 o'clock. Lecture at 8. Admission free.

Prof. Karo, the Great Psycho-Palmist and Life Reader, gives names, facts, dates. His reading are fascinating, wonderful, strange. Advice on business, investments, marriage, divorce. Unites separated. DR. FLETCHER

IT IS SAID MAY BE THE BISHOP OF COLUMBUS.

A Prominent Priest of Baltimore, Md., Who is a Close Friend of Cardinal Gibbons.

A dispatch from Baltimore says Dr. Fletcher may be the new bishop of Columbus. The message follows:

One of the most prominent priests of Baltimore will probably be the new Bishop of Columbus, Ohio, to succeed Dr. Moeller, who was recently made coadjutor to the venerable Archbishop Elder, of Cincinnati. The man is said to be Rev. Dr. William P. Fletcher, rector of the Baltimore Cathedral and a close friend of Cardinal Gibbons. It has leaked out that his name is the first of the list of three sent to Rome by the Bishops of the Cincinnati archdiocese. This means practically his appointment to the position. Dr. Fletcher, who is a man of commanding appearance and splendid attainments, will make an ideal Bishop. The official appointment from Rome is expected at the next consistory, which will be held toward the end of November.

ACID

Mixed With Horse Medicine Drunk by a Hysterical Woman After Attacking Her Father

Springfield, O., Oct. 26.—"Here is the bottle, I will never need it again," said Mrs. Fannie Shaffer Sunday, as she entered the kitchen and threw it on the floor. "I drank all of it and am going to die."

With a hysterical laugh she went into the adjoining room and began combing her hair. Her father, John Welsh, had just previously to this occurrence had an experience with her of an exciting nature.

Mrs. Shaffer came down stairs for breakfast and was seized with a fit. She raved and screamed, and, picking up a skillet, threw it at Mr. Welsh, striking him on the head.

"I am going to kill you," she cried. Going from the house she found a bottle of carbolic acid in the stable which was mixed with horse medicine. Draining the bottle she returned and threw it on the floor.

After combing her hair she went to her room, where she died in awful agony. She was 35 years old and an attractive woman. Her husband had left her because of her "spells." Once she was at the asylum.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root**, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

The Trading of Other Republican Candidates for the Benefit of Dr. Watkins.

The Advocate's statement that Republican candidates in Licking county are being sacrificed for the benefit of Dr. Watkins is verified by the published statement of Chairman Salen, of the Democratic state committee, giving details of the immense sums of money sent out by the Republican state committee into the close counties. Fifteen hundred dollars of this fund has been sent to Licking county, according to Chairman Salen's specific statement, to be disbursed under the management of Postmaster Ickes. The money is to be used for the especial benefit of Dr. Watkins' campaign for Representative.

The election of Watkins is what the Republican state managers want above all else, and the county managers of Watkins' campaign under the leadership of Postmaster Ickes, are instructed to carry out this project at the sacrifice of every other candidate on the Republican county ticket.

Every Republican politician in the State who is connected with the Post-office department, has a special interest in Hanna's election, and the success of the Hanna candidates for the Legislature is paramount to every other consideration in the close counties.

The election of Dr. Watkins for Representative means a vote for Mark Hanna for Senator, and that is the special desire of the Republican state committee, operating through Postmaster Ickes. The long and close relationship that has existed between Mr. Ickes and Hanna and Dick is well known in Licking county, and the postmaster's interest in the election of a Republican Representative from this county is a natural result of this relationship. Everybody knows that it would be a great feather in Mr. Ickes' cap to deliver a vote to Mark Hanna in the Legislature, and a powerful aid to him in any future political aspiration he may have.

But why should the other candidates on the Republican county ticket be traded off and sacrificed for the benefit and profit of Postmaster Ickes is the question that is being propounded by these other candidates and their friends.

The man who does not vote the Hannaized Republican ticket this year will be proud of it next.

Senator Hanna does not care who pushes the Republican wagon so he monopolizes all the official honors and plunder.

TO CORRUPT VOTERS

Enormous Sums of Republican Boodle Dumped in Close Counties

Fifteen Hundred Dollars Sent to Licking County to Elect Dr. Watkins Representative

Why Chairman Dick Declined to Accept Chiarman Salen's Challenge to Publish Sworn Statements of Expenditures in This Campaign--Allotment of Moneys From the Hanna Fund and the Men Who are Doing the Fine Work in the Debatable Counties of the State.

Chairman Charles P. Salen of the Democratic state executive committee has issued the following address to the voters of Ohio:

When I challenged Chairman Dick and Senator Hanna to publish sworn statements of expenditures in this campaign, it was upon positive advice from unquestionable sources that a limitless fund had been placed at the disposal of Senator Hanna to use as he saw fit in his efforts to be returned to the United States senate. Nearly all of this fund came primarily from those great interests which feed upon special privilege, subsidy and other governmental favors, although a large part of it was directly supplied by the national Republican committee.

From the start no limit has been placed upon the amount of money necessary to accomplish a given purpose. Every paper published in a foreign language, whose support could be bought, was given the price demanded. I have seen the contracts between one of these papers and the Cuyahoga and state Republican committees, which called for the payment of $3,000 to that one sheet Senator Hanna himself gave sums ranging from $500 to $1,000 to hospital, church, benevolent and social organizations He has been doing this for several months, and the bottom of the fund is not yet in sight.

Every Democrat who could be reached by the allurements of money was given what he asked, and just now a separate division of money for various counties is being made for the specific object of "lining up" dishonest Democrats.

Ever since the campaign started the Democratic committee has kept a close touch upon the plans of the managers of the Republican legislative campaign. The information received indicates the following allotments of monies to the debatable counties of the state, in most instances this money being turned over to the treasurer of the regular organization, but in many counties being placed in charge of managers specially selected to conduct the legislative fight:

In Cuyahoga county Senator Hanna is personally conducting the legislative campaign, with Frank Chandler looking after the details and Minor G. Norton employed to bring the old McKisson following in line.

In Hamilton county the Hanna campaign is in charge of George B. Cox and Rud Hynicka, with O'Brien and Mullin in charge of the down-town districts.

In Lucas county, while the regular organization is supposed to be in complete charge, the personal representative of Senator Hanna in the legislative fight is George P. Waldorf, collector of internal revenue.

In Montgomery county Charles Craighead is depended upon by the Hanna organization for the confidential work, while Dr. Lowe and the regular organization are drudging with the details.

In Franklin county the Hanna interests are entirely in charge of an independent organization, consisting of Elmer Miller, E N Huggins, Malcolm Karshner and William T. Wallace.

In Licking county J. M. Ickes, postmaster at Newark, looks after Mr. Hanna's affairs

In Allen county Dr. Hall, the postmaster at Lima, is in charge, while the regular organization is supposed to look after the detail work.

In the Second-Fourth senatorial district the election of a Republican senator has been completely put in charge of "Dickie" Dowling of Middletown, whose word is law in the handling of the entire campaign of the district.

In the Twelfth senatorial district F. E. Scobey has complete direction of the entire legislative campaign in the counties comprising that district, the regular organization being expected to pick up the crumbs that fall from his hands. This is particularly true of Miami county. In Dark county Orla Harrison, the nominee for senator, operates under Scobey and is assisted by Messrs. Markwith and Halley, while in Shelby county Scobey selected J. E. Russell as his chief lieutenant.

In Auglaize county Jno. Sullivan, postmaster at St. Mary's and Emil Moset at Wapakoneta are in charge.

In Coshocton county Senator Hanna is operating through George A. Hay.

In Delaware county and throughout the Fifteenth-Sixteenth senatorial district a secret organization, entirely distinct from the regular county committees, is in charge of Mr. Hanna's affairs.

In Wayne county the Hanna interests are being generalled by M. L. Smyser.

In Mercer county Judge Russell is in charge.

In Ottawa county Mr. Hanna is operating directly through H. L. Hammons, the Republican nominee for representative.

In Richland county the fine work is in charge of A. B Bennerstock and Charles H. Keating, assisted by several formerly prominent Democrats.

In Sandusky county Mr. Hanna has placed his affairs entirely in charge of John B. Stahl and Byron Fouche.

In the Adams-Pike district Sam Patterson is in charge of the fine work in Pike county and A. Z. Blair in Adams.

In Clermont county Mr. Hanna has placed his affairs in charge of W. C. Bishop, who holds a clerkship in Washington.

From the above it will be readily seen why Chairman Dick and Senator Hanna would not agree to a public sworn statement of their expenditures.

CHAS. P. SALEN,
Chairman Democratic Executive Committee.

W. D. Benner.

Mr. William D. Benner, a prominent young attorney of Newark, is the Democratic candidate for Representative for this county this fall. Mr. Benner is a native of Hartford township, this county, and was raised on a farm. He has taught school and has received a good education. He adopted the profession of law as his life work, after a thorough course of study, and has been practicing law in Newark for some years past. Mr. Benner is a young man of fine natural abilities and irreproachable character. His many friends in both political parties will be glad to see him in the Legislature, for they know he is honest and incorruptible, and that he will be faithful to the people's trust. One thing is certain, that a vote for Mr. Benner means simply a vote for true Democracy and against Mark Hanna, and all monopolistic and imperialistic tendencies of the Republican party. A vote for Mr. Benner's opponent is not merely a vote for him but is a vote for Mark Hanna and in favor of all those iniquitous policies of the Republican party which every true Democrat condemns. Make no mistake. Vote for Mr. Benner, and the whole Democratic ticket if you would insure the triumph of Democratic principles.

THE OLD RELIABLE

Absolutely Pure.
THERE IS NO SUBSTITUTE

W. N. Fulton.

The Licking County Democracy this year presents an exceptionally strong candidate for the office of County Treasurer, who is asking the customary well deserved endorsement of a re-election to a second term. Mr. Fulton is too well and too favorably known throughout Licking county to need any extended mention at our hands. The office of County Treasurer is an important and responsible one, and Mr. Fulton fills it to the perfect satisfaction of his party and the public in every particular. He is not only thoroughly competent to discharge the responsible duties of his office, but he is courteous, attentive and obliging, and accommodates the public in every way consistent with his duties and his official oath and bond. In short, Mr. Fulton is an ideal public official in every respect, and the people of Licking county will see to it that he is re-elected to his second term by a largely increased majority.

Jesse W. Hursey.

Mr. Jesse W. Hursey is a well known and popular candidate on the Democratic ticket for Clerk of the Courts this year. It is a great mark of Mr. Hursey's strength and popularity as a candidate that he was nominated for this important office without opposition. Mr. Hursey comes from staunch Democratic stock, and is a thorough going Democrat himself. He followed the profession of school teaching for a number of years in which honorable pursuit he attained eminent success. Later he was Deputy Clerk of Courts for several years, under the present Clerk, Mr. O. C. Larason, and has the advantage of this valuable experience to begin with. Mr. Hursey is well qualified for the position of County Clerk, and being a young man of excellent ability and high moral character, will make a satisfactory official in every respect. He deserves to be, and he will be, elected by a rousing majority.

Frank Showman.

Mr. Frank Showman is the Democratic candidate this year for the important and responsible office of County Commissioner. Mr. Showman was nominated as the Democratic candidate for County Commissioner after a spirited but harmonious contest, at a Democratic primary election, at which every Democrat in the county had the right to vote for his choice He was nominated, too, over several of the best citizens in the county, who were his opponents for the nomination, after a contest which was perfectly fair and above board, and which expressed the will of the people. By that expressed will of the majority a loyal Democracy will abide. Mr. Showman comes from good old Democratic stock, and is a thorough going earnest Democrat himself. He is an honest man, with an established character for fairness and rectitude, and he is well qualified for the duties of the office, being a man of sound sense and judgment. He will make a good County Commissioner in every respect, and be faithful to the interest of the people. The Democratic party and independent voters of every kind should see to it that Mr. Showman is elected by a rousing majority; and that at least one member of a Board of County Commissioners in a county largely Democratic, shall also be a Democrat.

Burr D. Jackson.

Mr. Burr D. Jackson, a well known farmer of Liberty township, is the Democratic candidate for Infirmary Director this fall. Mr. Jackson is one of the most substantial and highly respected citizens of Licking county, an honest, industrious farmer, a thorough going, faithful Democrat, and an unusually intelligent man. Mr. Jackson is well qualified for the important duties of Infirmary Director, and will make a capable and efficient official in every respect. The public may rest assured that Mr. Jackson will look faithfully after the interests of the unfortunates entrusted to the county's care at the county infirmary, as well as after the interests of the tax-payers of the county who support that most excellent institution. Mr. Jackson has established a character second to none by a long life of probity and industry, and he will carry into the discharge of his official duties the same faithfulness and honesty that has always characterized him as a private citizen

HOW TO VOTE

Instructions to Election Officers by the Secretary of State Pertaining to Constitutional Amendments.

Secretary of State Laylin has completed his new instructions to election officers made necessary by the submission of the constitutional amendment according to the new Longworth law. The part referring to the marking and counting of the ballots on these propositions is as follows:

"In marking constitutional amendments printed on a party ticket the same rules apply as those prescribed for marking ballots in voting for candidates for office.

THE STRAIGHT TICKET.

"If a ballot be marked with a cross mark in the circle at the head of the ticket of a political party, it should be counted for each statement of the constitutional amendment and answer thereto on such party ticket.

"If a ballot be marked with a cross mark in the circle space at he head of the ticket of a party, and with a cross mark before the statement of constitutional amendment and answer thereto elsewhere on the ballot different from the statement of amendment and answer thereo on such party ticket, the ballot would be counted for the statement and answer so specially marked, and for all other amendments and answers thereto on the party ticket so marked in the circle.

"The same ballot box, poll books and tally sheets required for the election of state officers and senators and representatives may be used for the votes on the constitutional amendments."

FRUIT AT THE BREAKFAST TABLE

Nature Provides its own remedies which, if used judiciously, insure perfect health at all times

Aside from the pleasure of eating seasonable fruits before beginning the first meal of the day, this custom has undoubtedly arisen from the well known fact that nearly all fruit and more particularly plums and PRUNES contain natural laxative principles which act directly on the stomach and bowels.

Constipation, that dread and troublesome complaint which is undoubtedly the basic cause of nine-tenths of the dyspepsia, indigestion, biliousness, etc., so prevalent among our people to-day, and, which if neglected, surely leads to more complicated and serious organic diseases, can surely be prevented, and when not too far advanced, can be absolutely cured by the judicious use of the modern laxative and cathartic California Prune Wafers.

They are not a patent medicine in the ordinary sense of the word, being compounded from fresh California Prunes, which every intelligent person knows is truly nature's laxative.

A dainty little wafer, always the same, compounded in a highly concentrated form from fresh California Prunes, they are a natural dissolvent, acting on the *contents* of the stomach and bowels and not on the organs themselves.

They regulate the Liver and Stomach, Cleanse the System and Purify the Blood, Cure all Bowel Troubles, Biliousness, Bad Breath, Bad Blood, Wind on the Stomach, Bloated Bowels, Foul Mouth, Headache, Indigestion, Pimples and Dizziness.

Every household should have its family package of CALIFORNIA PRUNE WAFERS, and at the first signs of approaching illness, or when under the weather, take a couple of wafers, and the doctor's bills will soon be much smaller than they are now.

You can eat what you please if you follow each meal with a CALIFORNIA PRUNE WAFER, which quickly dissolves the most indigestible food, and helps to carry it through and out of the system in a gentle and healthful manner, without the slightest pain, griping or nausea. 100 Wafers for 25c.

Sells Several More Pianos and Organs Saturday Evening.

Store Crowded With Interested Lookers.

Sale Positively Ends Next Saturday Night at 10:30.

The straight one-priced plan, with special reductions, the easy terms of payment, and the beautiful instruments, please

Prospective buyers must come in soon to get a choice.

Reader, one year ago I shipped a large stock of pianos to your city and sold 15 of them in a few days' time. I have taken none of these back. One gentleman, very well known, bought a piano and a piano-player. He was so pleased that six of his friends purchased of me then and there. The same gentleman came in last Saturday evening, bringing another friend to whom I sold a beautiful style 12, Kimball.

Why wait longer? I have some of the fine unsurpassed Kimballs, endorsed by Patti, Sousa and 150 famous musicians of the world. One of the famous "Krell" pianos, noted for its fine singing quality of tone. Also a number of other good, reliable makes of excellent workmanship.

I am selling $325 pianos for $221 and $400 pianos for $278, and $225 for $138. Terms to suit you. $85 organs for $59, $60 organ for $29.

The "Gross Misrepresentations" of a jealous drayman (whom we did not employ this year for reasons) greatly amuses all my last year's customers. It is a pity to see this man used as a catspaw by the firm now employing him. He did not haul all my pianos from the freight depots, neither did he deliver all I sold. Besides, a number of farmers loaded up their own pianos and took them home. If this man attends to his own affairs and pays his honest debts, he will be kept busy, and he won't think he knows so much about my business.

MEETING

For Men at First Church Sunday Afternoon Was Well Attended—Subject, "Wanted: a Man."

The meeting for men Sunday at the First Presbyterian church was a great meeting. The church was well filled with a representative body of men, who gave marked attention to all that was said. Miss Robinson sang very sweetly, "I Know He Is Mine," just before Dr. Kaylor spoke, and at the close of his address she sang, "My Mother's Bible." Dr. Kaylor handled his theme, "Wanted, a Man," in a manner that showed he was a master of his subject. Dr. Kaylor has a striking personality that impresses one. He said in part:

"The following are the ear marks that indicate a true man: First, a man with a conscience. I mean a tender, pliable conscience, a conscience that condemns every bad act and commends every good act. One of the memorable utterances of the noble-minded St. Paul was, 'Herein do I exercise myself to have a conscience void of offense against God and toward man.' Second, look you for a man with a heart. I mean a kind, tender, loving heart. Never think that tenderness in a man is something to be lightly estimated. It is the tender, loving men that have left a lasting impression on this world and moved others toward better things. Third, look for a mind. The divine religion of Jesus Christ was not given to save souls, but to save man, man in the entirety of that complex life which Christ assumed and redeemed. Seeing that you have that which the brute has not, a soul, see to it that you live worthy of your calling in Jesus Christ. Also let me remark to you, beware of the man who speaks lightly of God's word. You can not afford to indulge in destructive criticism. A fool can ask a question that the wisest men living can not answer. Beware of the man who speaks lightly of the home circle and its tenderness, and especially beware of the men who lightly speak of the name of woman in general."

The speaker closed with a most beautiful picture of heaven. He seemed to be lost to himself and his surroundings. It was a case of the man being hid in his message. At the close of the service 25 signed cards expressing a desire to lead the Christian life, and at the evening service 20 more so expressed themselves.

This evening Dr. Kaylor will speak from the "Joys of Conversion."

THE STORY OF FATHER JOHN

Fifty years ago an eminent specialist prescribed Father John's Medicine for the late Rev. Fr. John O'Brien of Lowell, Mass., by whom it was recommended and from whom it derived its name. It is not a patent medicine and is free from opium, morphine or poisonous drugs or weakening stimulants in any form such as the majority of patent preparations depend upon for their temporary effect, and which are dangerous—you are warned against them. It makes flesh and strength and builds up the body. Prevents pneumonia and consumption. Cures bronchitis, asthma, and all throat and lung troubles. Guaranteed. Father John's Medicine sold at Collins' Drug Store, North Third street.

OBITUARY.

Mrs. Mary Warman, the widow of the late Jerome Warman, died October 19, 1903, aged 48 years. She underwent a severe operation some five weeks ago and passed away at the home of her brother, James Priest, 158 Elm street. Mrs. Warman was the daughter of the late Enos Priest. She was a faithful member of the Fourth street Church of Christ. Besides a son she leaves two sisters and seven brothers to mourn the loss of a dear one.

A precious one from us has gone,
A voice we loved is stilled.
A place is vacant in our home
Which never can be filled.
God in his wisdom has recalled
The boon his love has given:
And though the body slumbers here,
The soul is safe in heaven.

THE RAILWAYS

LOCAL AND GENERAL NEWS OF INTEREST.

Robt. McManus and Son Hurt—Rear End Collision—Fell Over Trestle. Railway Personals.

Many friends of the veteran engineers Robert McManus will be sorry to hear that he was badly hurt Sunday. In going down stairs Mr. McManus made a misstep and fell down the entire flight of stairs, breaking a collarbone and otherwise injuring himself. Later in the day he received the sad news that his son a brakeman, had been very seriously injured.

J. C Broadus Here.

J. C. Broadus, traveling auditor of the Erie, spent Sunday with his family in Newark.

A B. & O. Special.

A special train, running as the second section of B. & O. No. 8 containing the members of the Northwestern Press Association, in charge of Mr. R. C. Haas, Northwestern Passenger Agent at St. Paul, passed through the city on Sunday night, en route east. The party will take in Baltimore, Washington, Philadelphia and other astern cities.

Rear End Collision.

A little rear end collision on the B. & O. at Cambridge occurred Sunday afternoon in which a caboose and several freight cars were derailed, smashed and finally reduced to ashes. One of the cars was backing off a siding when a 97 crashed into her. The wreck caught fire. Nobody was hurt, but some of the trainmen lost some clothing and personal property.

Fell Over a Trestle.

Parkersburg, W. Va., Oct. 26—A train on the B. & O fell 25 feet over a trestle at Petroleum Sunday, and was wrecked, yet not a person on the train was seriously hurt. The train was a wrecker going from Parkersburg to Cornwallis, where several freight cars had been derailed. The engine jumped the track on the trestle and the whole train followed, forcing the trestle down. How the crew escaped death under the locomotive and the ponderous wrecking machinery is a mystery.

THE COURTS

F. M. BLACK BRINGS SUITS FOR ATTORNEY FEES.

W. S. Wright and Others are the Defendants—News of the Day From Court House.

Attorney Fred M. Black has begun two suits in Common Pleas court for the recovery of fees for legal services, rendered Wm. S. Wright, Paul O. Reyman and Antone Reyman, when they owned and operated and sold the Newark & Granville road.

One suit is for $5025. Five thousand of this is for legal services rendered in the purchase of the road by defendants, in June 1900, and $25 for legal services rendered when they sold the road in June, 1902.

In the other suit Mr. Black makes the Newark & Granville road a co-defendant and it is for $5182.85 for services rendered and moneys advanced by him at defendants' request from June, 1900 till July, 1902.

Paul Jones, a Columbus attorney, brings a suit similar to Mr. Black's second one, for $1,138.84 for services covering the same time.

In all three cases the Jewett Car company is made garnishee, and stock owned by defendants in said company is attached, as they are non-residents of Ohio, and summons cannot be served on them.

Says Law is Not Good.

Judge Maurice H. Donahue, of New Lexington, in circuit court at Zanesville, has decided that the law requiring stationary engineers to pass an examination is unconstitutional, thus reversing the decisions of the courts below. The decison was rendered in the case of Cliff Corbin, an employe of the Townsend Brick & Contracting company, who some months ago was arrested upon complaint of District Examiner Ebright and fined in police court.

In announcing the decision Judge Donahue declared that the law works a hardship against those engineers who by years of practical experience have thoroughly mastered the practical workings of an engine, but at the same time may not be able to answer as to technical terms.

BALTIMORE BEAUTY AT HOME IN WINTER.

MISS MARY L. WEST.

Baltimore, Md., Oct. 2'—Still in her teens, Miss Mary L. West has been adjudged champion of the Maryland Swimming club, and was awarded a medal for her skill in the water. She has never had professional training.

"How did I learn to swim?" said Miss West. "In a pond with other children at Swanton, our home in the country. No one taught me; I just learned. Perhaps the reason I swim so easily is that I fear danger no more in the water than upon land. I feel fresher for a week after swimming, and much prefer it to walking as an exercise.

"I use the breast stroke, like most girls, and also the racing side stroke. I can swim 50 yards in 73 seconds, and have often longed for an accident to give me a chance to see what I could do in my street clothes. Most heartily do I approve of swimming for girls, both for pleasure and exercise, and the absolute security it gives when in the water."

Seattle's Appeal For Girls.

[There is a shortage of women at Seattle, Wash. Many unmarried men in that thriving city are yearning for wives, and an appeal for girls has been sent to the mayor of Troy, N. Y., where the feminine population is greatly in excess of the men.]

Oh, give us girls! A town like this demands
Sweet girls, fair girls—we wish to claim their hands.
Girls who will darn our socks and cook our meals,
Girls who will stroke our brows when we are ill,
Girls who will listen to our fond appeals
When, urged by love, we look for girls to fill
The empty places at our firesides.
Oh, send us girls, if possible, good looking;
If not, send any kind, to be our brides,
To sew our buttons on and do our cooking.

Curse of DRINK

DRUNKENNESS CURED TO STAY CURED BY

White Ribbon Remedy

I announce to the world that I have an absolute cure for drunkenness. Any woman can cure her husband, son or brother, or any one of liquor drinking, by secretly placing White Ribbon Remedy in his coffee, tea or food, without his knowledge. This has been done in thousands of cases and the cures have been permanent. White ribbon Remedy is entirely odorless and tasteless. Any good and faithful woman can wipe out this fearful Drink evil, and permanently stop the craving for liquor. By degrees the patient gets a distaste for intoxicants, and finally leaves off altogether.

Recommended by Members of a Woman's Christian Temperance Union

White Ribbon Remedy cures and destroys the diseased appetite for all alcoholic drinks, whether the patient is a confirmed inebriate, a "tippler," social drinker or drunkard. Impossible for anyone to have an appetite for alcoholic liquors after using White Ribbon Remedy.

CURES GUARANTEED.

Sold in every drug store, 50c and $1. Trial package free by writing or calling on **Mrs. A. M. Townsend.** (for years Secretary of a Woman's Christian Temperance Union), 218 Tremont St., Boston, Mass.

MISS ROSE OWENS,

No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

Miss Rose Owens.

WHEN Miss Rose Owens, who has a responsible position in the Government service at Washington, D. C., decided to try Wine of Cardui, she made a wise choice. Over a million women have been relieved of female weakness by this same Wine of Cardui. It is not a strong medicine but may be taken every day in the year by any woman with benefit. It does not force results, but corrects derangements of the menstrual organs. It strengthens the nervous system, gives tone to the bodily functions, acts directly on the genital organs, and is the finest tonic for women known to the science of medicine.

If you are a suffering woman we would say to you that Wine of Cardui seldom fails to completely cure any case of female ills. We say emphatically, it never fails to benefit. Every day hundreds of sufferers are writing to our Ladies' Advisory Department. The letters are opened by persons competent to give advice. Mrs. Jones was cured by following the advice which was freely given her by the Ladies' Advisory Department. Miss Owens was cured without advice by just buying a $1.00 bottle of Wine of Cardui from her druggist and taking this great medicine in the privacy of her home. No doctor's examination, treatment or advice is necessary. You have read what these two cured women have written. Is this not enough to lead you to determine to be rid of suffering?

August 13, 1900, Mrs. W. H. Jones, of Cameron, Mo., writes:

"I suffered terribly at monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I have my health back again and am expecting to be confined in January. I cannot praise your medicine enough."

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

The World of Sport

Both Local and General.

The results of the various football games played Saturday give a line as to the development of the principal teams, both east and west on what may be considered the eve of the big games. The preliminary practice games have been played and from now on the contests will bear the earmarks of championship struggles. In the east the only surprise was the defeat of Pennsylvania by Columbia, which came as a thunderbolt to the supporters of the red and blue eleven. Pennsylvania has shown such strength and consistent good form during the season, that with one accord critics have given Carl Williams' team a place among the first three in the east. Their defeat by Columbia complicates matters and the New York school must be reckoned with by all the teams on her schedule. It looks as if the Pennsylvanians had gone stale, or that Columbia, under Morley, has developed an exceedingly strong eleven.

McCornack's Northwestern squad defeated the University of Cincinnati 35 to 0, about the score expected, although from accounts the Boilermakers did not attempt to run up the total figures.

Michigan, Wisconsin and Minnesota did about what was expected, simply smothering their opponents by big scores, the Badgers, however, allowing their goal line to be crossed by Knox.

From this distance it looks as if Minnesota and Michigan are the strongest teams in the west and the victor of next Saturday's struggle, when the two great elevens meet, will undoubtedly win the championship of the "Big Nine."

In Ohio the principal surprise was the overwhelming defeat of Otterbein by Ohio Wesleyan. The Methodists have struck their gait and may be said to be "coming."

Kenyon Won from Denison.

Kenyon's sturdy football team, in whom we have had great faith all season, which was not in the least shaken by the result of Ohio State game last Saturday a week ago, proved the class which they possess, as well as our confidence in them and their coach. Dr. John Eckstorm, by administering a decisive defeat to the plucky eleven from Denison university, by a score of 22 to 12.

Then Denison boys were completely outclassed, both in offense and defense and the play was almost continuously in their territory. At that they put up a game and plucky fight, and showed conclusively that Coach Stanton has taught them a lot of football, which would have been effective against a team of less strength than Kenyon. In fact the Denison boys put up the same kind of a game that forced the Ohio State team back, the Saturday before, to their own 25 yard line from which a field goal was kicked. At no time did they do this to Kenyon. The most brilliant play of the game however, was made by Trego, Denison's fast half back, who caught a punt at his own five yard line and ran the entire length of the field to Kenyon's 10 yard line before he was tackled from behind by Jackson. From this point by desperate playing, VanVoorhis was finally sent over for a touchdown from which Roudebush kicked goal. The other touchdown was, to put it mildly, a gift from Referee Trask, a professor in Denison university. Trask may do some things well, and may know other things perfectly, but the ability to referee a football game does not come under his list of accomplishments, nor football lore within the range of his knowledge.

On a punt from Denison, Brown caught the ball and carried it back 10 yards when he was fiercely tackled by Van Voorhis. Trask blew his whistle calling the ball down, and Brown let go of the ball. Roudebush secured it and ran across the Kenyon line. No a Kenyon player attempted to stop him, as the ball had been officially declared down, and they were about to line up where Brown was tackled, when Trask to the indignant surprise of every Kenyon supporter, and the evident astonishment of even the Denison players, prepared to allow Roudebush to try a goal from the alleged touchdown. A long argument was held during which Trask said he did not remember whether he had blown his whistle or not. "Maybe I did, but it was unintentional," he said. Yet his uncertainty on this vital point did not influence him in assuming to decide the validity of the touchdown, which he did with an assurance that pre-supposed an absolute certainty in his mind, that he had not blown his whistle. He then in defense of his decision said to Captain Quinn, "Oh, well, it won't make any difference anyway. Your team is ahead." Now, we could have had a great deal more respect for Trask if he had decided the matter without trying to justify his preposterous ruling by such peurile excuses. Some of his other rulings were equally as bad, but not so costly to Kenyon, but we have no time to devote further comment to Trask.

For Kenyon Laudick was a star, as he was known to be before the game. His plunges through the line were terrific. Once he went through the line 18 yards for a touchdown, pulling almost the whole Denison team after him across the line. On defense too he was a power, being used to fortify the center, and it was he who stopped the plunges of Romeo Johnson, Denison's great colored fullback with no gains, or only a few feet.

Jackson at quarter ran the team speedily, and on three occasions by his individual fast work saved the ball after fumbles. York, Gawn and Brown also did great work.

Denison's quarterback, Roudebush, played a good game, but his tricks were worse than usless On one he lost 8 yards and immediately afterward was thrown for 10 yards loss.

VanVoorhis played a good game all through and was the consistent ground gainer for his team. Trego, by his brilliant run also starred for the Baptists. It made as pretty a piece of work as one could wish to see. Johnson and Van Voorhis did great interfering for Trego, and made his run possible. Handley Hixson was a tower of strength at center, and on the defense, showed that he was as active a center rush as any college in Ohio can boast. He was always in the play, and it is safe to say that he made ten tackles during the afternoon. He brought Landick to earth once, by a plucky tackle, that nearly put himself out, and he looked to be seriously injured. He soon recovered, however. Had Hixson missed him the giant would surely have scored another touchdown.

Dr. Eckstorm's team is now in form and it is safe to say will go on winning throughout the season. His men are green and inexperienced, but he has taught them the game, and they will play it from now on to the utmost of their capability. He is one of the gamest men who ever coached a team. Defeat, coming as it did a week ago, would have demoralized and discouraged most men, but not so with Dr. Eckstorm He set about correcting any mistakes his men showed, and in a week sent a team on the field which showed as good an offense as the team which had crushed Kenyon 59 to 0 only a week before, but making the same number of touchdowns against Denison that Ohio State made and also showing a better defense.

Denison at no time was able to push Kenyon as they did O. S. U.

The Kenyon team made up of green material were seized with stage fright in Columbus, and at no time during the game showed any spirit or aggressiveness. They were badly rattled from the beginning, and it was only a question of time, as to how many points O. S. U. would make. Kenyon offered no resistance and the entire team was demoralized, so that O. S. U.'s 59 score did not show her strength as it did that Kenyon was badly "up in the air."

The result of the Case-O. S. U. game was no surprise to us, as we have predicted all along that Case would win, after seeing O. S. U. play against Kenyon.

The interference of O. S. U. was slow in forming, and the ends were lamentably weak, in the Kenyon game, and had the lads from Gambier not been too rattled in that game to know whether or not they were playing football or star gazing, the result would have been very different, if the victory had not been reversed.

As it now is Case will undoubtedly be state champions another year, and other teams must be content to struggle for the next places.

Attended Kenyon Game.

Messrs. Bert Pine, Harvey Crawmer and Joe Miller attended the Kenyon-Denison game Saturday as guests of Mr. Warren Weiant, who is a great friend of Kenyon, and a football enthusiast.

The party was driven from Mt Vernon to Gambier through as pretty six miles of scenery as there are in Ohio After arriving at Gambier the party were guests during the day of Carl Weiant, a junior at Kenyon, and Dr. John C. B. Eckstorm, the famous football coach. The entire day was most pleasantly spent and Mr. Weiant's guests were unanimous in voting him a royal host.

Coach Stanton's Good Work.

Since Coach Frank Stanton's advent at Denison, the Granville insititution has become a factor in Ohio Athletics, especially football and baseball. With material hardly heavy enough for a first class high school team, Stanton has this year developed a team which for speed and knowledge of the game is a credit to him and to Denison university. The boys are a game lot, and on Saturday the play between Kenyon and them, was of the fiercest, yet there was never a cleaner game played.

Coach Stanton is a thoroughbred sportsman, and would not tolerate any indication of dirty work, in any team with which he is connected.

STIMSON A VET ON OBERLIN'S TEAM.

Oberlin, O., Oct. 26—Jas. P. Stimson has played on the Oberlin team for two years. He was sub half back in '01 and regular right half last fall. His knowledge of the game was obtained at St. John's academy, Vermont, and at the Oberlin high school. His defensive work has been the feature of his play, and so deadly was his tackling in the Oberlin Michigan game last year that Yost said he had never seen better half-back playing than that exhibited by Stimson. He is 21, weighs 165 pounds and is 5 feet 10 1-2 inches tall.

Captain Martin's Arm Broken.

The Newark Y. M. C. A. team defeated the Coshocton athletic club at football Saturday afternoon, at Cosnocton in a rough game, by a score of 10 to 6. The Newark team made two touchdowns, but failed to kick either goal.

For Newark the work of Evans at tackle and Mullinix were features. A bad accident occurred in the second scrimmage in the first half when Captain Raymond Martin, of Newark, broke one of the bones in his right wrist. The plucky captain continued in the game, but it is doubtful if he will be able to play again this season. His loss will be severely felt by the Y. M. C. A. team, as he is not only a strong and aggressive player, but a cool, level-headed leader.

HALF BACK

On Elmira Football Eleven Dies of Injuries Received In a Recent Game.

Elmira, N. Y., Oct. 26—Wm. F. Connolly, the star halfback of the Elmira Free Academy football team, is dead as the result of injuries sustained on the gridiron.

In practicing Wednesday he was playing against the second eleven and was killed on to punt. The ball was passed to him and he swung his foot hard as several players rushed at him. He missed the ball and fell heavily to the ground. He was carried home and examined by physicians, who said he had ruptured an intestine. Soon afterward peritonitis developed.

Pure, rich blood means health and strength—thin, impure blood makes paleness, anæmia, weakness, nervousness and disease.

One reason why Hagee's Cordial (with Hyperphosphites of Lime and Soda) does so much good, in cases of nervousness, sleeplessness, indigestion, mal-assimilation, rheumatism, skin diseases, blotches and weakened conditions, is that it purifies and enriches the blood—feeding impoverished nerves, strengthening every organ and building good, sound flesh.

Hagee's Cordial contains all the good of cod liver oil. It is a thin, fluid cordial, pleasant to taste and smell.

A Fine Likeness of "Hurry Up" Yost.

Fielding Harris Yost, the wonderful coach who turns out such football teams for the University of Michigan, is pictured here better than any newspaper ever before succeeded in catching him. Off guard, while watching the varsity practice, he is snapped "just as he looks."

Last season Yost, whose title of "Hurry Up Yost" has been well earned made the Michigan eleven a "point a minute team" and this year promises to outdo this. He said early in the season he would be a wizard if he made a championship team out of the raw material on hand, and those who follow foot ball are ready to confer the title on him.

ABSURD METHODS

said the Romoc man, expatiating on the means many people take to purify their blood. Don't you realize, he continues, that most so-called blood medicines are loaded with deadly poisons? By their use you simply force one poison out and take another just as bad or worse into your system. This is like the Indian whose blanket was too short to cover his feet, so he cut off six inches from the top and sewed it onto the bottom. You accomplish just as much good by the use of deadly mineral poisons as he did. It is different with Romoc. Romoc is Nature's remedy. There is no poison in it. Not a drop of alcohol is in this solution.
